

**Remarks**

The Applicants note with appreciation the withdrawal of the objection.

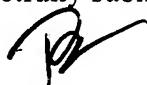

Claim 7 stands rejected under 35 U.S.C. § 112, second paragraph. The Applicants last response made one of the suggested changes to the claims. This amendment makes the other suggested change to the claim. In particular, the Applicants have substituted “comprising” for “containing.” Withdrawal of the rejection is respectfully requested.

Claims 1-25 stand rejected under 35 U.S.C. § 103 over JP'446 and JP'236. The Applicants note with appreciation the discussion with the Examiner on March 9, 2007, wherein it was agreed that the Applicants would submit the technical points made in distinguishing over both of JP'446 and JP'236 in declaration form. The Applicants accordingly submit a Declaration of Mr. Toshihiro Fujino which again provides those technical arguments as requested by the Examiner in the interview. Entry of the Declaration into the official file is respectfully requested.

The Applicants also note the second full paragraph of Page 5 of the Official Action requesting the above-mentioned Declaration. The Applicants respectfully submit that Mr. Toshihiro Fujino's Declaration provides the side-by-side format that present the unexpected results as set forth in the Official Action and as earlier discussed with the Examiner.

The Applicants, therefore, respectfully submit that the entire application is now in condition for allowance, which is respectfully requested.

Respectfully submitted,
